TO PARENTS OF CHILDREN IN RECEPTION TO YEAR 6

Dear Parents,

INTERNET SAFETY INFORMATION EVENINGS FOR PARENTS.

As you will have seen in the Junior Times, we have organised an internet safety information evening for parents. This will take place in St David's Hall at 7:30pm on Tuesday 6th February.

The evening is being led by PCSO Ali Thompson, a Youth Support Officer with Hereford's Youth Engagement Team.

The fast changing on-line world certainly presents challenges to schools and parents alike; we have organised this event to give parents the opportunity to learn about and explore the issues of safety and behaviour that are thrown up by the internet and its possibilities.

Last year's event was well attended, and I would urge you to consider coming, especially if you have not attended such an evening before and your child is using the internet at home, or may soon be doing so.

It would be extremely helpful to have an idea of numbers, so if you are intending to attend, please do let the School Office know – a.phillips@herefordcs.com - preferably by midday on Thursday 1st February.

Yours sincerely

Chris Wright
