Dear Parents,

Maths and English sets in Year 6

At Hereford Cathedral Junior School we aim to provide an educational programme which is best suited to each child's individual needs and abilities. In Year 6, children will be taught in four ability groups for English and Maths.

These sets are comprised of a higher ability group, two parallel middle groups and a smaller support group. Given that the children were taught in three sets last year, some children will inevitably have moved between sets.

In determining where your child is best suited, we have taken into account his or her assessment scores over the previous academic year, as well as his or her performance in class. Of course, this will be continually monitored and reviewed throughout the year to ensure that each child is achieving his or her potential.

In Year 6, Maths sets will be taught by:

- Miss N Jeynes (set 1)
- Mrs C Roberts (set 2)
- Mrs S Price (set 2)
- Mr J Debenham (set 3)

English will be taught by:

- Mrs C Roberts (set 1)
- Mrs H Walker (set 2)
- Miss K Davies (set 2)
- Mrs T Denny (set 3)

If you have any questions, please do not hesitate to contact your child's teacher or me.

Yours faithfully,
