BENEFITS OF OPRO® CUSTOM-FIT MOUTHGUARDS

"My background as a dentist gives me a real insight into the oral injuries that can occur during contact sports. When a child loses teeth from a sporting accident the consequences last a lifetime because unlike bones, teeth don't heal. In almost every case the damage could have been prevented or reduced by wearing a suitable mouthguard."

D30

Thinner than all previous OPRO mouthguards but with the same level of protection, the OPRO Custom-Fit mouthguard with D30 is an exciting new development for all those who would like a lighter mouthguard, which is extremely comfortable, makes breathing and speech even easier, but makes no compromise on protection.

ANTIMICROBIAL PROTECTION

OPRO have teamed up with Biomaster, world leaders in antimicrobial product protection, to produce mouthguards and cases that permanently inhibit the growth of bacteria by up to 99.99%.

QUALITY ASSURANCE

OPRO mouthguards were the first mouthguards to be awarded legal CE certification.

CUSTOM FIT

To ensure the perfect fit, our qualified dental surgeon will visit your school or club to take dental impressions. These are passed on to our manufacturing facility where trained technicians precision-make an OPRO Custom-Fit mouthguard.

CUSTOM LOOK

Select your own design and we will put your name and school or club name on it too.

CHOICE OF PROTECTION LEVEL

MID-IMPACT

Suitable for ball and combat sports where the head is not an intentional target.

HI-IMPACT

Suitable for ball, stick and combat sports where the head is an intentional target.

PRO-IMPACT

Provides the protection of a Hi-Impact mouthguard but with the slimmer fit of the Mid-Impact.
