

Summer Term Newsletter 2018

Welcome to the Summer Term! We hope you all had a lovely Easter break.

'Living Things' is our topic for the first half term. We will be finding out about the life cycle of frogs and caterpillars and learning how we can best look after our pets and animals. We will plant seeds and hope to grow sunflowers! We will also be finding out about 'Holidays' and sharing our own experiences and adventures.

After half term, we will be thinking about the uses of water and we also have an outing to look forward to.

To support the Jolly Phonics scheme, we will continue with our Tricky Word lists and dictation sheets. We will be working practically to solve addition and subtraction sums, identifying coins and thinking critically to solve mathematical problems.

If possible, please bring a photograph of your pet, if you have one, into school by Monday 30th April.

We're looking forward to a happy and productive term!

Many thanks,

Mrs C. Goode, Mrs P. Moon & Mrs R. Quinn
