

## HEREFORD CATHEDRAL SCHOOL – THE SCHOOL RULES

Pupils of Hereford Cathedral School are subject to all the following rules while they are at School, including during the lunch hour, on their journeys to and from School, and on visits and expeditions run under the aegis of the School, whether in the holidays or term-time. Compliance with school rules and any amendments made from time to time is a condition of pupils' continued membership of the School. Pupils should be aware that any action of theirs which has the capacity to harm the reputation of the School may be regarded as an offence against school discipline, whether it is specifically mentioned in these rules or not.

### General Conduct

- 1) Pupils are expected to behave courteously at all times and to ensure that they do not give offence to others, particularly members of the general public. Pupils travelling between home and school should behave sensibly and with courtesy to each other, fellow passengers and to bus drivers, rail staff and other transport staff. It is particularly important that pupils exercise consideration for other users of the streets and of the paths across the Cathedral Close and the route to Wyeseide.
- 2) Pupils are expected to behave with dignity and manners: there should be no public displays of affection or any other behaviour likely to cause embarrassment or offence.
- 3) Pupils are required to conform to the School's dress code and wear full uniform smartly at all times, unless a member of staff in connection with a particular activity has granted exemption. Boys: Hair should be neat, well groomed, off the face, off the collar and of a conventional style. Hair should not be shorter than that achieved by a No.3 cut. Boys should be clean-shaven: no beard, moustache or stubble is permitted. There should be no excessive dyeing of hair and colour alteration should be discreet and natural-looking. Ties should be worn correctly and shirts are to remain tucked into trousers at all times. Girls: Hair should be neat and tidy and kept off the face. There should be no excessive dyeing of hair and colour alteration should be discreet and natural-looking. Girls are permitted to wear matching stud earrings, which should be worn in the conventional manner. No additional earrings or rings worn high on the ear are allowed. No other visible jewellery should be worn by either sex. Pupils should consult the separate Uniform List for details.
- 4) No bullying, physical, verbal or psychological, is acceptable. This includes sending offensive messages by text, by e-mail or via chat lines.
- 5) Pupils selected to represent the School at Sports, or in any other capacity such as Music or Drama, are expected to honour their commitments. A pupil wishing to be excused from such a commitment must obtain permission in advance from the member of staff in charge of the activity.
- 6) All pupils must attend school on all school days unless prevented by illness or other unavoidable causes. If a pupil is unable to attend school, the parents are asked to contact the School Office before 8.30am. For all planned absences, parents should make a request to the appropriate member of staff (usually the Form Tutor or the Headmaster) via email or a letter allowing plenty of notice where practical.
- 7) Attendance at Registration, Assemblies, Tutorial Periods, all timetabled lessons, games and other timetabled commitments is mandatory.
- 8) Pupils are expected to be punctual; those who arrive late (i.e. after registration) for morning or afternoon School must report to **the School Office immediately upon arrival and sign the late sheet**. Pupils who fail to sign in when late in the morning will automatically receive a Referral. Pupils who are repeatedly late for no valid reason will receive a letter home. Sixth Form pupils must arrive at school for Registration and Chapel every day, even if their academic lessons begin later in the day.

9) Early Departure: pupils may not leave the School early without parental agreement or the authorisation of the School Nurse in the case of illness. In a genuine emergency informing the School Office will be sufficient. Sixth Form pupils may only depart from school early if they have no further academic lessons in the afternoon, and only after signing out.

10) Pupils are responsible for the care, tidiness and good decorative order of the school buildings and grounds.

11) No litter may be dropped, either indoors or outside.

12) Chewing gum is not allowed in School.

13) Pupils should treat all property and furniture with respect and care.

14) Communication: every pupil should look at the TODAY board and the other notice boards relevant to him/her every day, including the electronic screens.

15) The Headmaster may exclude any pupil from school or may require the permanent removal of any pupil for a serious breach of School Rules, or for exercising harmful influence in any way, or for consistently or repeatedly failing to respond with adequate effort and application to the teaching provided at the school, including where this failure is to the detriment of other members of the School, or for the accumulation of several Headmaster's Detentions, or for any other good or necessary reason.

### **Conduct in Class and Form Room**

16) The Form Room and its tidiness are the responsibility of the whole form. Only members of the form are allowed in their form room, except under the supervision of or by permission of a member of staff.

17) Pupils should stand upon the entry of a member of staff, unless they are told not to do so.

18) Pupils are expected to wait quietly before lessons begin.

19) Pupils must give their teachers at least 24 hours' notice of missing a class for an instrumental music lesson (this should be written in the pupil's year planner). If pupils anticipate missing lessons for any other reason, they must as a courtesy ask their teacher's permission at least 24 hours in advance.

20) Whenever pupils have missed a lesson for any reason, they must arrange in their own time to catch up the work (including homework) that they have missed.

### **Conduct in Chapel**

21) The Cathedral must be respected as a place of worship at all times. No bags may be brought into morning Chapel or left in the Cathedral porches.

22) In the Cathedral before Chapel pupils may talk very quietly.

Large groups that are likely to cause an obstruction should be avoided. The same rule applies when leaving Wyeside and coming back into town: pupils should not travel on their own. Pupils who have permission to wear games kit on their way to Wyeside **must wear a tracksuit.**
- 36) These rules about travelling in groups and about using the subway at Greyfriars Bridge also apply to pupils going down to the Hereford Rowing Club Boathouse in Greyfriars Avenue.

Circumstances where a pupil may request permission might be to contact a parent about a change to arrangements, or to take a photograph of homework instructions. Using a mobile phone without permission is likely to result in a school detention.
- For all pupils, including those in Years 12 & 13, the taking of photographs or the recording of audio or video clips with any device (including mobile phones) is strictly forbidden, whether on or off the school premises, when travelling to and from school or on a school activity or trip, unless permission has explicitly been given by a member of staff.**

## Computers and ICT Facilities

Pupils must not use other pupils' passwords. Pupils should also not use their school email addresses for any membership of private internet sites (e.g. social networking) as this may cause them problems on leaving the School when their email account is closed.
