Dear Parents,

Costumes for the Y6 Production of 'Wind in the Willows'

I would be extremely grateful if you could possibly source the relevant items listed below for your child's part and send them in to school in a sturdy, named plastic bag, as soon as possible please. I will supplement some extras from school but if you could provide the main colours and ideas, then this would be such a huge help.

Please do not worry if you cannot find anything, but it would be useful to know if you are struggling and then I can start searching sooner rather than later. The rough era for the play is 1920's and I have attached photos for some of the parts. Please do contact me via the School Office or via email h.walker@herefordcs.com should you have any questions.

When the children come in to school with their bags, they should find their own personal hanger located in the medieval room, and hang it up. I will then mark them off, as and when they come in. We will do a lot with make up to avoid using masks. If your child has an allergy to make up, then please also let me know in advance.

Many thanks indeed for your continued support and help towards these productions.

Yours sincerely,

Heather Walker
Head of Drama
