

HEREFORD CATHEDRAL SCHOOL

Boarding Principles & Practice

At Wilmot House we aim to run a happy boarding house where our students feel confident, safe and secure.

This will enable them to flourish academically and socially both within Wilmot House and during the school day at Hereford Cathedral School.

Our aim is that all our boarders leave Wilmot House as independent young people; confident of their own abilities, aware of their strengths and having developed the necessary tools to allow them to cope and thrive in the wider community beyond school.
